The Fire Brigade turned out in doublequick time, and a good supply of water being at hand, within an hour the flames were subdued and all danger was over. The shop was compirtely gutted, and damage to the extent of \$6000 was done. It was insured for \$10,000 with Messrs. Schellhass & Co. Hongkong, 2nd February, 1895. TRAINING NOTES.

Since "An Old Sportsman's " notes appeared who, in company with another man, was cutting | in these columns on Saturday last the course has been thrown open every morning and owners, pounced upon him and dragged him off Into | taking advantage of this, have put their "mokes" the jungle. His companion at once raised through their facings in very business-like style. the alarm and reported the matter to the Commencing on the 5th on a decidedly sticky Police, who were at once on the scene. The | and hard course the following may be regarded |

The first pony on the turf was the veteran Bovril who, smothered in blankets, covered half- the times indicate. Dunblane, a really higha-mile in 347 and 1 07, moving very freely. Then the ancient Primrose, in blankets, was spun over the same distance, the clock registering 364 and 1.08. He appeared to be slightly "groggy" towards the finish, though this dees not necessarily indicate that the game old cream is " off colour," for it is pretty well known that he is given to downright cussedness at times, and it is therefore to be hoped, for his owners' sake, that he is still as sound as a fire-bell. Homeguard and Gibraltar each covered a quarter in 33 seconds, moving very freely,

Mr. Buxey's Derby candidate Black Velvet, was piloted over the Ashley Cup course, which he encompassed in 35, 1.08, 1,422 and 2.17 and finished "all out," and I doubt his ability to have gone another furlong in anything like racing form. His stable companion the Great T. J.—the hope of the stable—was also spun over a mile in 31, 1.10, 1.46, and 2.22, finishing in very inferior style, and I am now sorry to hear that this once promising griffin is laid up with a game leg. This, however, is not at all surprising, for it was simply the height of folly to gallop such an undoubtedly valuable pony, which has been under suspicion for some days, on a hard and greasy course. Experientia docet !

Seamew (boy up) covered a mile in 35, 1.12] on this occasion, he shoeld give a good account | covered a mile in 36}, 1.10%, 1.42% and 2. 7} and Revolver (boy up) raced over the German 144, 1,07, 1.41, 2.154, and 2.404. He finished in minutes, the latter, still clean out of condition, siderable distress. Wild Fire joined him in the companion. Morrison (owner up) who chipped 34.7.08; and 1.44. Celt (Captain Hunt) who is post, got over the distance in 36, 1,122 and 1,40. [1.10, 1.44 and 2.18], a capital performance

The following times are also worthy of note; that should be improved and 1.461. 1.56# and 2 35#.

2.031, 2.48 and 3.121.

Baccarat-One mile-30, 1.221, 2.061 and 2.43. Cobweb (Mr. Hart Buck in the saddle)-14 mile-375, 1.135, 1.51, 2.28 and 3.0214 going in capital style throughout. Glengairn (late Frobsina) -1 mile-331.

mile-in 34, 1.10, 1.45 and 2.201; the former being ridden to a standstill, while the latter was [up) getting 14 mile in 35, 1.11, 1.46, 2.20 and pulling double in the entire journey.

Mr. Gillies' promising Derby candidates Scot distance in 33t, 1.08t, 1.43t, 2119, 2.54 and 31t, 1.04t and 1.30; The Rake being beaten easily 3.28, the former finishing the "pow" about by several lengths. This pony, which should Chop Chop was the next to attract the post in good fettle, is right "off colour" and in attention of the "early birds," and he got over a canything but facing form at present,

mile nicely in 363, 1. 113, 1.563 and 2.333; Havoc, for the same distance, having 161, 1.11, 1.48 and 2.22 registered against him. Mr. Taylor's Derby candidate Rainbow (owner up) treated the spectators to the sensational "pow" of the morning, being extended over a mile, the "clock" registering 36, 1.12%, 1.46% and 2.20%. He ran throughout like a thoroughly game racer, and finished with lots left in him. Picannine, it may be added, went } mile in 31% sec. Dunmore, the mysterious Derby condidate, who come to these classic regions with a huge reputation, was "driven ! for e mile and a quarter by Mr. Hart Buck, which he covered in 4 mins. 20 secs., his full times being 39, 1.17, 1.54%, 2.31, 3.08, 3.45 and 4.20. He finished without another bound left in him and it is, on his present form, hardly likely that he will make much of a show in first-class company st this meeting.

Silver Claud went freely for half-a-mile in 39% and 1.12%, his stable companion Silver Dart (Capt. Hunt) travelling gaily over the German Cup distance in 363, 1.123, 1.50, 2.263 and 3.003. Catterthup, after cantering round the course, was let loose for a quarter, which he got over in 31 secs. Sweet B ler, which will be dangerously near the front when the Wong-nei-cheong Stakes is run off, was ticked off 334 and 1.061. This pony moves very freely, and if he comes to the post in first-class condition, should prove decidedly dangerous in all short distance events. Wild Fire's 11 mile in 381, 1.14, 1.491, 2.25} and 3.03-finishing like a puffed out water-buffalo-and Hohelt's mile in 35, 1.12, 1.50 and 2.24} are worthy of being recorded at the present juncture. Dandy, Swift and Voltiguer, going in company and finishing in the order named, negotiated a mile in 36%, x.rx. 1.47 and 2.22%, while Tankred got through 18 mile " pow " in 35, 1.10, 1.48, 2.04%, 2.59% and 3.37%, his stable companion Nixnutz chipping in in the last three-quarters. Fra Diavolo showed great improvement in negotiating re mile in 366, 1.144, 1.51, 2.25 and 3 col, and if taken proper care of he should give a satisfactory account of himself at the rapidly approaching meeting. The last "sprinter" to face the music was Yenom, who lobbed along for 2 mile in 32, 1.07 and 1min, 45

"Early Bird," to whom we are indebted for the foregoing notes, writes expressing his regret at finding the familiar figure of Hongkong's leading "sport" conspicuous at the rails yesterday by reason only of his enforced absence. attributable to a severe chill and consequent serious indisposition. He, however, furnishes us with the following interesting report of vesterday's gallops :-

Timekeeper negotiated 11 mile in 40, 1.10, 2.00, 2.40 and 3 15%; Bovril 2 miles to 37%, 1.13, 1.48, 2.21, 2.563, 3 31, 4.063 and 4 404, finishing in grand form and full of "go," Glengairn's 13 mile in 413, 1.25, 2.023, 2.30, 3.142 and 3.48 was a disappointment to most of the spectators, and if his owner wishes him to be even placed at the meeting he should at once take the advice of an old stager and put him through some hard work. I cannot say I was impressed with Congo's 12 mile in 45, 1.22%. 2,00, 2 38 and 3.12, for he has shown on previous occasions much better form. Pleanning, who has come on sapidly of late, was spun over the German Cup course in 40, 1,16, 1 53, 2,28 and 3 021, pulling double from start to finish, Home Guard took 41, 1.22\$, 2.00, 2.38} and 3.11 to get over 12 mile, while Premier required 324 secs. to negotiate one-fifth of that distance.

The best gallop of the morning was accomplished by Primrose with Mr. Master in the saddle, the game old "moke" finishing a 11 mile spin in his usual resolute style in 2.51%, his full times being 350, 1.086, 1.436, 2.186 and 2.516. Seamew and Starlight negotiated ? mile together in 446, 1.066 and 1.42, the Derby candidate finishing several lengths aboad of his stable companion. Bonus did his mile in 34%. body was found only a few feet from where the as a reliable report of the chief gallops and 1.08, 1.48 and 2.30; Magic (Mr. Jones up) covering 12 mile in 34, 1.08, 1.462, 2.23 and 2.581, performances which need no comment as class racer that invariably moves in excellent style, was spun over a mile in 38, 1.136, 1.40 and 2.21, while Dingener, ridden for all he was worth. took 314, 1.06 and 1.41 to travel ? mile. Bluebeard, over the Derby course, registered 36, 1.11. r.451, 2.101, 2.531 and 3.281, finishing indifferently. Gibraltar accompanied the former for the last 5 mile, which occupied him 34, 1.03 and r min 48 secs. The mysterious Sinner, hard driven by Mr. Master from start to finish, powed 14 mile in 374, 1.124, 1.50, 2.234 and 3.57. The other noteworthy performances were :-Hard Times, 2 mile, 301, 1.061 and 1.431

finishing badly. Blue Ribbon, 12 mile, in 372, 1.13, 1.493, 2.26 and 2.50%. Dandy, wille, in 394 and 1,12.

This morning the course was again availed of to a considerable extent, and in the presence of a large number of spectators, which included a number of well known "sports." although the handsome visage and sweet smile of "the masher" was sadly missed. especially by your "special," who had to do a of of timekeeping instead of cock-tailing ad. 116. However, here goes for it:

Warlock, 12 mile, in 354, 1.11, 1.45, 2.194 and 2.532, finishing strong. This pony is rapidly coming to the front and will be in A I. condition 1.479 and 2.21, while the much-talked-of Sinner. | ten days hence. Black Velvet, who is no use for accompanied by a discarded griffin, got over half anything over a mile, went the same distance m mile in 37 and 1.10. Duart (the illustrious in 34, 1.00, 1.45, 2.21) and 2.56. Starlight Schumann'up) was let loose over a quarter, which | and Scamew, the Derby candidate finishing he covered in 32 secs. and, judging by his form several lengths ahead of his companion, of himself at the meeting if he comes to the post | Dandy (boy up) and Dunmore (Mr. Hart as sound and fit as he is at present. This Torchlight and Diplomat-12 mile-43, 1.24. pony, if carefully trained and brought to the post in good condition, will prove most dangerous whenever he starts. Alasic and Baccarat did 11 mile in a minutes, while Sweet Brier and Premier took 34, 1.08; 1.43 and 2.20 for a mile, finishing in the order named. Catterthun 'powed' a quarter in 314, and Rainbow Premier (boy) and Suurise (Mr. Taylor) -one (Mr. Taylor up) sculled along for a mile in 37, 1.13, 1.484 and 2.201; Cobweb (Mr. Hart Buck 2 521.

THE CHINA-JAPAN WAR. -

REMARKABLE FORECAST.

following summary of a conversation with ir Thomas Wade, ex-British Minister that Heaven had withdrawn its favour from the Plenipotentiary at the Court of Peking, is taken from an article published in the Contemporary Review on "The Chino-Japanese Conflict-and the danger of a Japanese advance on Peking," at the present juncture. Sir Thomas resided upwards of forty years in China, during twelve IF the sufferers from Consumption, Scrofula and conflict. If Japan vigorously follows up her kong. Adut. successes and sele's Meukden [she hast't got that historical city yet. -Ed. HK. T.] and Haingking, the sacred home and birthplace of the reigning Manchu dynasty, as well as the major portion of Manchuria, Sir Thomas opines that the existence of the dynasty would be leonardi ed and the Empire be shaken to its base. China would rally if she has time, but seemingly Tapan has been putting forth strenuous efforts to prevent her gliding up her loins before it is too late, but whe her their movements have been sufficiently rapid to ensure ultimate victoryand we funcy the advisers of the Mikado have already experienced several grievous disappointments-time alone will show. As Sir Thomas very correctly remarks,"" all centres at the head; and if the bead (the Emperor or alleged " Son of Heaven ") were to fall, all the limbs wou'd go with !."

Continuing, the veteran statesman said-"I do not look for any combined action. Confileting rebellions will break out in various parts of the empire. The ephemeral powers which will arise from these movements, partly political and partly, perhaps, superstitions, will for the most part be at conflict with one another, and China will be thrown into very much the same condition as before the Mongol invasion in the thirteenth, and the Manchu invasion in the seventeenth century. She will, in shirt, present much the same phenomena as the peninsula of India did before our conquest ; the phenomens of warring princelings and usurpers, none of them strong enough to obtain the supreme power.

"This state of things, of course, cannot be the Agents :-end. It is impossible that all the different Hongkong...Mr. W. Brewer. Powers interested should leave China to anarchy. It is merely a question-who should step in, and
